~OCTOBER 2020 NEWSLETTER~

Drop Off ~ Huge Success

Mahalo to the LBES 'Ohana for making morning drop off a success. Despite temperature checks, masks, shields, lunch bags, backpacks, water bottles, and air kisses we were able to start each day on time. We know the addition of the gate added some anxiety but overall things went SMASHINGLY WELL!!!

Following New Rules with COVID

The students have shown they were ready for school. They wear their masks and/or shields faithfully, practice social distancing, wash hands regularly and are adjusting well to the "new normal" with all the safeguards in place. At the end of the day, they all pitch in to help with cleaning down the rooms and packing up their belongings while staff sanitizes door knobs, light switches, desks and chairs. Our 3rd-6th grade students have really stepped up by assisting with lunch distribution (4th grade), trash removal (3rd, 5th, and 6th), setting up and clearing down the cones in the parking lot.

The Lord has truly blessed our campus with the best families, students, and staff this year!

ANNUAL FOOD DRIVE

OCT 19 ~ NOV 20

If you have been blessed and would like to be a blessing, we invite you to send in food items for our ANNUAL FOOD DRIVE. This year will be a little different due to COVID. We will ask each family/student to bring in whatever they have to share (without the usual goals per classroom or student). We will be supporting the food ministries at Lighthouse Outreach, Saint Joseph Church and Ewa Beach Baptist Church with food that is brought to the elementary and High School. We gratefully appreciate anything you can share and we know God will bless you for giving.
