January 2021 Newsletter

## Hello, 2021!

Happy New Year!! We pray that as you cross over into 2021, you take the things you've learned from the past and let them propel you toward what's ahead. God has great plans for each of us as we lean on Him and follow His lead for our lives!

"Brethren, I count not myself to have apprehended: but this one thing I do, forgetting those things which are behind, and reaching forth unto those things which are before," ~Philippians 3:13

## Christmas Break - December 14, 2020 - January 4, 2021

We hope you are having a wonderful Christmas Break! If you have a need to reach us during the holidays, please note that our office hours will be limited. We will be checking email regularly, but for urgent matters or questions about your billing, please contact our business office at 808-677-0731.

## Distance Learning for Week of January 5-8

As the holiday season comes to a close, we understand that as much as we all tried to stay safe, with holidays come family gatherings and out-of-state vacations. Because of this, we have decided to give students a week of distance learning to ensure good health when they return to campus on January 11th.

The schedule for the week is below. Please be sure your child is present and on-time for all classes as attendance is mandatory. Students should log in to their first class by 8:25 am as late students will be marked absent. Please note that since Monday is a teacher workday and students have no school, Wednesday will be the same schedule as Tuesday, Thursday & Friday. There will be no elective classes this week.

Reminders...

- Students must be in uniform with cameras turned on. If the camera is not on, the student will be marked absent and lose points.

- If students are late for their class, and we do not hear from them with a valid reason, they will be marked absent and lose points.

Students may find Zoom logins in the "Distance Learning" Google Classroom under "Zoom Login IDs".

\*\* As a precaution, if your child has traveled during the holidays, we ask that they would remain off-campus for 10-days following their return, even with a negative COVID test. Please let us know as soon as possible if your child will need to continue distance-learning beyond January 8th so we can make the necessary arrangements.

### January 5-8, 2021

Students taking other classes, must report to those classes when scheduled

## Martin Luther King, Jr. Day - Jan 18 - No School

### No Personal Sporting Equipment

We know how much our students enjoy playing sports on campus, but for your child's safety and to help minimize physical contact, personal footballs, volleyballs, basketballs, etc. are not permitted on campus.

### Open House & School Tours

Every January, we have an open house for families who may be interested in attending our school, but due to the pandemic, we need to postpone it to a later date. In the meantime, we are ready and prepared to meet virtually and/or in-person with anyone who'd like to find out more about our school. If you know of anyone who may be interested, please let them know to give us a call or email us... We'd love to meet them and answer any questions they may have!

### Athletics

On-campus news:

Club Volleyball for intermediate students (7th-9th grade) in the works for 3rd-quarter. More information to come.

Cheer will start-up in 3rd-quarter. More information to come.

ILH and Pac5 news:

With hopeful hearts, we have been waiting for news on when we could begin sports for this school year. Unfortunately, ILH officials have concluded that, although some sports may begin soon, many of our sports were not safe to reopen. In the ILH letter attached, you will find detailed information on what will and will not be starting this semester.
