Students Arriving Late or Leaving During School Hours

With 2nd-semester well underway, it seems that more and more students are arriving late or leaving school before the end of the day. As a reminder, school starts at 8:00 am daily and ends at 2:45 pm on Mondays, Tuesdays, Thursdays, and Fridays, and 2:00 pm on Wednesdays.

Students who arrive late and/or leave early are missing valuable classroom time. It's very important that students are in school throughout the day as teachers utilize the full class times to explain lessons and give opportunities for students to ask questions if needed.

Please ensure your child arrives at school before 8:00 am daily. If your child needs to see a medical professional, you are encouraged to schedule appointments after-school whenever possible.

Senior Privileges: With a parent's permission, some privileges are granted to seniors when it comes to leaving campus during the day which includes the option to leave for lunch and/or end school early on some days when teachers allow. Seniors should NOT expect to be let out early on a regular basis, and they are required to be in school by 8:00 am daily.

Spring Break - March 15-19

Spring Break Office Hours

If you have a need to reach us during Spring Break, please note that our office hours will be limited. We will be checking email regularly, but for urgent matters or questions about your billing, please contact our business office at 808-677-0731.

Staying Safe During Spring Break

With Spring Break approaching and places starting to open back up, we understand that this may seem like the perfect opportunity to gather with friends and/or take a family vacation. We ask that as you spend time with others you would follow the guidelines that are in place... wear a mask over your nose & mouth, maintain physical-distancing, and no large gatherings.

If you are traveling, let us know so we can plan accordingly for your child's continued education. Please note that any travel outside of Hawaii will require a 10-day quarantine before returning to school regardless of testing. Also, teachers will not be utilizing Zoom for distance learning.

Thank you for doing your part in keeping our school and our island safe. We pray that you have a safe and enjoyable Spring break!
