

# LANAKILA BAPTIST ELEMENTARY SCHOOL

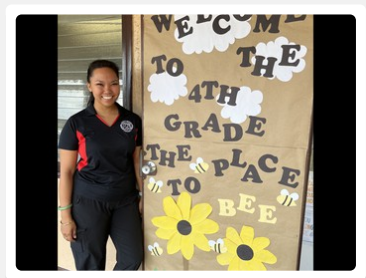

August 2022

Psalm 111:10 The fear of the Lord is the beginning of wisdom: a good understanding have all they that do his commandments.

## In the Beginning.... LBES 2022-2023

In the bible we read about many beginnings. God cares about all the new things that we begin, and I know, beyond a shadow of a doubt, that He is with each of us as we begin this new school year. This week we have seen nervous, sometimes scared students, realize that this new place, or new teacher, or new classroom is really ok. Starting something new can be very hard for some and extremely easy for others. We are seeing our returning students helping new students learn the ropes and find their way, much like God helps us throughout our journey with Him. We are thankful that God is with us everyday with every new thing we face.
